DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Alice Bonnen on 12/21/2010.

The claims are amended as follows:

4. The immunogenic formulation according to Claim 1, wherein the bacteriophage has been engineered to express more than one hepatitis virus type A and/or type B polypeptide.

/Mary E Mosher/
Primary Examiner, Art Unit 1648
